5 спальная комната Коммерческая недвижимость продается в Ciudad Quesada, Alicante

560.000€

Here we have this stunning detached villa located in the La Fiesta area of Ciudad Quesada, with beautiful views of the park (El Parque Recorral) and the lake (La Mata) and to the Sea, the property has a build size of over 200m2, on a plot of 699m2. stairs lead to the main entrance level of the property, to the right of this there is a spacious terrace. Entering the Villa you have a large living room with a bay window, again offering views of the park. The living room benefits from air conditioning, ceiling fans and a log burner. off the living room is a bright spacious fully fitted kitchen including dishwasher and washing machine, the kitchen has three large windows overlooking the garden and the pool area. Additionally on this level there is a separate dining room/bedroom with patio doors leading to the private back garden, a double bedroom with fully fitted wardrobes, air conditioning and ceiling fan and a good sized family bathroom, Upstairs is an additional lounge area. This area could easily be turned into an additional bedroom if required, from here there is access to a spacious private terrace, which again overlooks the garden and out towards the park. There are also two double bedrooms on this floor, again both bedrooms have fitted wardrobes, air conditioning and ceiling fans. The master bedroom is exceptionally large and airy and benefits from a beautiful en-suite bathroom, this bedroom also has access to the spacious balcony terrace. In addition, there is a second family bathroom with a full size whirlpool bath. From the terrace, there is a spiral staircase to a private solarium where there is stunning views of the Mediterranean Sea lakes and surrounding area. The ground level of the property has been designed to be used as a separate self-contained one bedroom apartment with fitted wardrobes and bathroom. Outside the property boasts a variety of alternative aspects. There is a private driveway with a covered car port from which there is a landscaped area with a variety of plants. There is a 10 x 4 pool, which is heated and covered, the pool is surrounded by artificial grass, allowing maximum enjoyment with minimum effort. There is also a large patio area with a covered gazebo offering more choice for dining and relaxing outside, as well as a covered
