1 soverom Leilighet til salgs i Mijas Costa, Málaga

255.150€

A unique concept that lets you invest in a holiday apartment with on-site rental management and sports club.

This new complex is located in the heart of Sitio de Calahonda, right between Marbella and Fuengirola. Calahonda is a well-established area with an abundance of facilities, beautiful beaches, parks and only 25 minute's drive from Malaga International Airport.

We offer one and two-bedroom apartments in different sizes. All of them share the modern design, open spaces flooded with natural light and private terraces. We have ground floor apartments with big private gardens and penthouses with huge terraces.

We also offer a number of smaller units that are optimized as a rental investment thanks to the competitive prices.

All apartments have an underground parking space included in the price.

We have worked hard to offer the best solutions, both in design as well as services to offer the most attractive investment opportunity that the Costa del Sol has seen in years.

The property buyers at this new development can choose to have their apartments rented out to get a great return, or to enjoy the property themselves!

Please note that prices may vary subject to availability.
