5 soverom Villa til salgs i Punta Prima, Alicante

330.000€

In the heart of Punta Prima, just a short walk from the sea, a cozy house is for sale, ideal for renovation or possible demolition to create a new project in its place! The 400 m² plot allows for the design of a functional space for both relaxation and entertainment. The house includes five bedrooms, perfect for a large family or for hosting guests. There's already a pool on the property, which can be updated or kept as is—a perfect way to enjoy the refreshing water on hot days. This location offers you the opportunity to fulfill your dream of a home by the sea, adding all the personal touches you desire.
