

4 soveværelse Landsted til salg i Castillo de Locubin, Jaén

82.000€

This 4 to 5 bedroom semi-detached Country House is set within circa 9,000m² of land with many olive trees close to the popular town of Castillo de Locubin in the Jaen region of Andalusia. It has its own private drive. The entrance to the property takes you in to a lounge with a fully tiled room to the left ready to install a good size kitchen. There is also a large central lounge room with 2 ground floor double bedrooms plus a fully tiled shower room. A light and airy stairway leads to the first floor where there is 1 large double bedroom plus 2 single rooms which could either be bedrooms or a bathroom and dressing room. The property has electricity connected and well water. It is being sold part furnished. This Spanish Country House offers great value for money with a very generous plot and having good quality olives from which to derive an annual income.
