We are pleased to present this semi-detached villa in a quiet urbanisation in Villamartin with a private garden, parking and a front garden leading to the pretty communal pool area.

The property is hidden away, so providing privacy and means is quiet. The gated garden offers plenty of space, including room for your car under the carport. From the terrace you enter into the fully fitted kitchen complete with oven, hob, dishwasher and washing machine. This area leads to the open-plan living dining area, which is air-conditioned. This leads to the front terrace and garden, which leads directly to the pretty communal pool. There is a double bedroom downstairs and a bathroom.

Upstairs there are two double bedrooms both with fitted wardrobes and air conditioning and both of these bedrooms have direct access to the balcony overlooking the pool. There is also a family bathroom for these bedrooms to use.

The property is very well maintained and would make a lovely home.
