It is located just 200 meters from a beautiful beach with soft sand and crystal clear waters, one of the most beautiful in Vera, where walks in the sun become a very healthy habit throughout the year.

This newly built property in Vera is part of a residential complex of 100 independent villas known as Monte Carmelo Resort, a venue of comfort, elegance and design on the shores of the Mediterranean Sea. This modern urbanization is divided into two: Laguna Azul, double-height homes, and Modelo Estrella, single-story. This particular single-family home belongs to the latter, bringing out its charming Mediterranean design with wooden baseboards, natural stone finishes and a white single-layer coating, offering greater luminosity and lucidity to the entire property.
