

4 soveværelse Landsted til salg i Ermita Nueva, Jaén

55.000€

This is a great village house with a decent sized garden located in a very quiet street in this charming village. It does need updating but its mainly cosmetic improvement. It has 4 large bedrooms - 2 on the 1st floor plus a sitting room, and 2 on the ground floor, bathroom, kitchen and 2nd living room. Outside are several storerooms including one used for keeping chickens. If taken down the garden would be a great size with open countryside at the rear - lovely views too. It also has a separate garage. The property in general is well looked after so any work is mainly updating to taste. There are also some other rooms not used yet so these could also be converted to more accommodation The village is less than 30 mins to Granada and not far from Alcala la Real. Its has many bars, shops and a school etc.. the property is located up a quiet side road with no passing traffic so the countryside is on your doorstep.
