

6 soveværelse Byhus til salg i Periana, Málaga

138.000€

Nestled in the heart of Periana, in the Malaga province of Andalusia, Spain, this spacious 242m² build, townhouse has a total of six bedrooms and two bathrooms, awaiting a touch of personalization through potential renovation if wanted. Located centrally, offering easy access to every amenity the vibrant town has to offer. The allure of this residence lies in its captivating views from the second floor, with Juliet balconies for enjoying panoramic views that sweep over the picturesque town, painting a serene backdrop for everyday life. With on-street parking giving effortless access for anyone with mobility issues, while a quaint patio invites tranquil moments. Upstairs you can find an extra living space or entertainment area with 4 other bedrooms. On the ground floor are a further 2 bedrooms. Step outside via the kitchen on a big patio with lots of storage rooms, perfect to create a nice summer terrace. Embraced by the rhythms of the town, this townhouse presents an opportunity for an enriched lifestyle, blending the comforts of a spacious interior with the allure of a bustling community. Whether basking in the scenic views or revelling in the nearby amenities, this residence promises the quintessential essence of Andalusian living.
