

## 3 soveværelse Duplex til salg i Tormos, Alicante

157.500€

Partially renovated village house with high ceilings, spacious and with several open spaces to finish remodelling to personal taste.

As we enter the house we find a hall full of well cared and handmade mosaics, as well as the wooden doors that give us access to the living room with fireplace, a single room on the left hand side and on the right hand side a large bedroom en suite. Passing the living room we arrive at the kitchen, after it, going down some stairs, we will see the dining room that gives us access to a bathroom, to a lower area where we find a wine cellar and finally the patio. The house is distributed in several floors where between the ground floor and the first floor we find a room with a balcony overlooking the courtyard. On the first floor there is an open space where canned food used to be kept. A good option to invest and turn it into your new opportunity.
