

3 soveværelse Byhus til salg i Gata de Gorgos, Alicante

219.000€

In a great location on the popular Gata residential community, we find our fabulous townhouse 3 bedroom 2 bathroom property with mountain views.

A few steps take us up to the property, where on this level there is a WC and the first double bedroom. The property is split over three levels. Moving downstairs to the lower level, we enter a spacious lounge and dining area with a modern log burner, hot and cold air conditioning unit and double-glazed windows. Patio doors lead us out onto the shaded terrace area and into the easily maintained garden. Here we have far-reaching views of the surrounding mountains and just a few steps down is the communal pool which is only shared with 12 other properties.

Returning to the property we find the kitchen with a breakfast bar seating area, a gas hob and an oven. Adjacent is a utility room housing the heating boiler, washing machine and a further sink.

Upstairs to the third level, we find two more bedrooms. The master is ensuite and has a walk-in wardrobe and patio doors from the bedroom that opens out onto a semi-circular balcony. Here we have views of the communal pool and a slight mountain view. The third bedroom is adjacent which is a nice size double room.

All the bedrooms have fitted wardrobes and mosquito blinds to the windows. The master and adjacent bedroom both have hot and cold air conditioning units. The property has radiators throughout.

Here we have a really beautiful property whether its for living or holidays. The property is currently unfurnished and in immaculate condition, recently painted inside and out. Contact us now to arrange a viewing.
