Design 7 is a modern 5-bed villa with large open spaces and lots of light which features a central lounge which opens up to both stories giving great depth and light to the property. Downstairs it has a large open lounge, a separate dining room, a modern and a kitchen all overlooking the covered terrace and pool area, 2 guest bedrooms and a bathroom. Upstairs there is a very large master bedroom with an en-suite bathroom and dressing room, two guest bedrooms and a guest bathroom. All bedrooms lead onto a very nice terrace with steps leading down to the pool area. The 6 x 3 pool included is a saltwater pool that reduces maintenance costs and is much more natural for swimming.

THIS HOUSE HAS NOT BEEN BUILT YET, we build it especially for you according to your wishes and tastes, designed thinking about the Mediterranean lifestyle and can be modified to your liking. Our designs are for superior quality, custom built, modern villas where space and light play an important part of the design and living experience with clean, simple lines and lots of usable outside space. The design object is to incorporate the pool and terraces into the living area making the homes ideal for Mediterranean Living.

These villas will only be built on request with a construction time of about 10-12 months
