

4 soveværelse Landsted til salg i Formentera del Segura, Alicante

3.450.000€

Situated in Cap de Barbaria, in a wooded area comprising both pine trees and native vegetation, this splendid Finca is set in a plot of almost 14,000 m2, which offers direct access via a path to a rocky bay, where you can enjoy private bathing in crystal clear waters.

Composed of a set or group of 3 properties that make up the whole of the same, all facing the sea with rooms with large windows and magnificent views, has 4 bedrooms, 4 bathrooms, a single room with living room with fireplace and integrated kitchen, plus two wonderful terraces / penthouses overlooking the sea, a porch of 15 m2 and several balconies.

In addition to splendid landscaped relaxation areas together with a barbecue, the property contains its own water tank, is connected to electricity without generator, so it has its own electric heating system as well as wood burning cookers and even a septic tank for sewage and drainage.

In a natural, wild and protected environment, this fantastic and unique property guarantees absolute privacy and silence, where you can disconnect and enjoy a unique and incomparable style of holiday on one of the most beautiful islands in the Mediterranean.
