

3 soveværelse Lejlighed til salg i Mijas Costa, Málaga

375.000€

New promotion of high quality apartments in Las Lagunas de Mijas.

Date of delivery December 2024 - March 2025.

It consists of 58 apartments of 1, 2 and 3 bedrooms and nice penthouses, plus underground parking with 58 parking spaces and 58 storage rooms. With access from two streets, the building is perfectly located near all kinds of services. The building enjoys a southeast orientation, making the most of the hours of sun and thus obtaining greater energy efficiency. Perfect combination between quality and cutting edge design.

This promotion of new work is located in a residential area, next to shops, banks, schools, health center and large supermarkets such as the Carrefour center of Mijas, and just 5 minutes drive from the best beaches and the Miramar shopping center of Fuengirola.

Laguna Residence, an ideal place to start living with an excellent location.
