139.000€

Great renovation investment project, this little house is just 2 Kms from the beach in Torrox, next to the road, a country house of 26 sq m with a relatively flat plot of land (1,500 sq m approx.) with medlar fruit trees. The house which is in urgent need of renovation has 3 rooms, including a lounge with a fireplace, a bedroom & a storeroom. There is plenty of scope to make it more liveable. It has mains water, plus it also has a water cooperative supply (1 share). The electricity is not connected but the connection point is on the border of the land. Within walking distance of shops, bars, schools, children's park, bus stop. Perfect for an urbanite who wants to grow his/her own fruit & veg.
