

3 soveværelse Byhus til salg i Competa, Málaga

220.500€

Beautiful townhouse in perfect condition, recently renovated with quality materials and located in a small residential village within walking distance of all amenities.

This property is divided into two floors, upstairs are the three bedrooms, each with built-in wardrobes and a family bathroom. On the ground floor is the spacious fully equipped kitchen, the living room with a fireplace and an air conditioning unit, a toilet room and a small patio with a barbecue, from there up some stairs is the cozy terrace which also communicates with one of the bedrooms. The property also has a storage room with a separate entrance.

Apart from being a great opportunity as a family residence it would also be a good investment to provide a rental income.

This property is definitely worth visiting.
