

4 soveværelse Byhus til salg i Corumbela, Málaga

89.000€

Charming townhouse in Spain located in the attractive white village of Corumbela, only a 15 min drive from Vélez Málaga. Many of us from the surrounding villages travel to taste the traditional bread made in Corumbela's local family bakery.

The rooms of this traditional townhouse are spacious with many possibilities to be renovated. The house is divided into two floors. The ground floor comprises a living room, a kitchen with a pantry and the master bedroom. On the second floor there are three single bedrooms, a terrace with lovely views of the village and the countryside, a family bathroom with a small storage room adjoined and a delightful roof terrace with spectacular views of the surrounding villages, mountains and the Mediterranean Sea. Below the property there are also two storage rooms which could easily be converted into guest accommodation if one wanted to in the future.

This property is definitely worth visiting.
