127.500€

This pretty town house is located centrally in the white village of Torrox right next to the main square and has a magnificent sea and mountain view from the large communal roof terrace. The house is south facing and you can enjoy the sun almost all day on the terrace. In the main square you can find restaurants, cafes, pharmacies, a hairdresser and supermarkets.

This bright and spacious town house opens up into a pretty hallway and comprises a dining room (could serve as a third bedroom), a well-equipped and well-distributed kitchen, a double bedroom, a single room with a built-in wardrobe, 2 newly reformed bathrooms; one with a shower and another with a bath tub and a separate living room. There's also access to a communal roof terrace. In the kitchen there is a very convenient breakfast bar and access to a covered patio that is currently serving as the laundry area for the house.

This property's ideal location makes it either a perfect rental and holiday home or permanent home for a family. It has everything a family needs and is ready to move into, combining the modern living with traditional Andalucian cosiness. Good value for money!
