

8 soveværelse Landsted til salg i Sedella, Málaga

575.000€

Impressive business opportunity in the beautiful town of Sedella.

This large 4-storey property is located at the entrance of the village with fantastic access just off the main road.

The property is directly accessed to the bar/lounge area with a wood-burning fireplace, an equipped kitchen and a large games room.

From here we go up to the second floor, which has 5 spacious double bedrooms and 4 bathrooms with shower, as well as a small living room and a terrace.

The third floor offers 3 more equally spacious bedrooms and another fantastic terrace with sea views and a laundry room.

This property also has a very large terrace with a chill out area and a large pool. Next to it are the toilets and the barbecue to enjoy the views towards La Maroma and the white town of Sedella in a idyllic setting

But this is not all, we also find on the ground floor of this magnificent property a nightclub with a bar area, dance floor and toilets. In addition to a parking / storage with independent access area and a back door that leads to the gardens.

This property offers great potential to become a quality business, with fantastic access and a location where you can breathe tranquility and nature. Sedella also has the popular hiking route "El Saltillo" which could be very interesting in order to create a business in the town
