

6 soveværelse Byhus til salg i Comares, Málaga

189.000€

This is one of our traditional town houses in the charming village of Comares, in an elevated part of the town with street parking just a few steps away.

The house, distributed on two floors, is very spacious and has potential to be converted into a magnificent family home or a B&B/rental property.

The first floor has a large living-dining room with stunning views of the mountains, a kitchen with walk-in pantry and laundry area, along with 2 bedrooms and a bathroom.

On this floor we also find a spacious terrace, with access to it from the kitchen and the living room.

On the second floor, there are 4 bedrooms (3 doubles and one single), a second bathroom and another terrace.

Finally, from here we go up to the roof terrace with 360 degree views of the entire village of Comares, the mountains, the Mediterranean Sea and many of the nearby towns.

A house with a lot of potential that must be seen!
