

3 soveværelse Landsted til salg i Torrox, Málaga

385.000€

Just a 2 minute drive from the pretty white village of Torrox, where you will find everything you need for your daily life, and just 7 minutes from the beaches of the Costa del Sol, you will find this beautiful villa, perfect to completely disconnect from the city and enjoy the tranquility of nature and the beautiful views that this house has to offer.

From the entrance to the plot, a very well maintained driveway leads to a large gate that takes us into the house, where there is space to park up to 4 or 5 cars. Following our path towards the house, we find on the left hand side the swimming pool and the Jacuzzi. The main feature of the house is the large outdoor space, as it has 2 terraces where, due to its good south orientation, we can enjoy the best climate in Europe all day long. The terrace also has retractable awnings to provide shade on hot summer days.

The interior of the house has 3 bedrooms, a spacious living room, a kitchen, 2 bathrooms, one of them en-suite and a very bright conservatory room. At the entrance of the house we find on the right hand side the open plan fully fitted kitchen with breakfast bar. Here we also find the spacious lounge with a wood burner and to the right of this the first bedroom, which the current owners have converted into an office, but can easily be restored as another bedroom. Back to the entrance, through a hallway, we find on the right hand side the second double bedroom with en-suite bathroom. Following the corridor, on the left hand side, there is another door leading to the third and last double bedroom. All bedrooms come with air-conditioning. Back in the hallway, on the right hand side, is the main bathroom with shower and opposite is a bright conservatory, ideal for dining with the family during the winter evenings. Finally, on the left hand side of the entrance there is also another room which is used as a storage room.

The house is in perfect condition and is being sold fully furnished as can be seen in the photos. The property also has a water share from a community of irrigators, as well as two water deposits of 5 000 and 2 000 litres respectively. All the
