

5 soveværelse Landsted til salg i Nerja, Málaga

1.250.000€

The most incredible natural home set in a paradise of edible forest. This country property is the result of over 20 years of loving care and tasteful decoration keeping a total balance with nature. Set on a plot of approx 36,000 square metres, there are currently 3 houses (5 bedrooms , 4 bathrooms), a marvellous swimming pool, several work rooms, chicken run, various sitting areas, an amazing variety of productive, specially imported, fruit trees, all in a lush green setting with wonderful sea and mountain views in total peace & quiet.

The main house: At the Southern entrance and wrapping round the West side, we have a porch terrace of over 80 sq m with a wooden roof supported by juniper tree trunks, sitting here on the Buddha hand chairs round the natural crafted wooden table you can enjoy panoramic views over the coast & sea to La Herradura (Granada) or chill out on the Bali style outside bed. As we enter the house the first thing you will notice is that we have quality wooden floors and natural wooden ceiling supports and shelves. The kitchen is to the left with 2 crafted wooden tables, the granite topped kitchen has an electric hob, oven, dishwasher and plenty of cupboards; the fridge-freezer is in the spacious larder behind. The kitchen is open to the lounge, with cane curtains to shut it off if needed. In the centre of the spacious lounge a cast iron fire heats the house, plus electric radiators around. At the back of the lounge a door leads us to a double bedroom and a full bathroom. From the lounge we access the first bedroom (not used as such at the moment) , with a walk-in wardrobe and then the bathroom area with a private toilet & bidet area, an infra-red sauna room, the shower and sink area , the gymnasium and then a door out to the patio to the East . From the bedroom another door takes us to the office area which also has a door out to the East patio. On the other side of the patio we have the igloo or cave style master bedroom , everything is painted to blend in with the natural scenery. Close to the main house we have a large workroom, chicken run and a gravel driveway to park numerous cars plus a parking area with a pergola for 2 cars.

The next residential building has approx. 50 sq m, there is a gravel terrace at the entrance, a lounge-dining room, an open plan kitchen dining room and lounge with a cast iron fireplace, a shower room and a master bedroom, a
