

## 5 soveværelse Byhus til salg i Torrox, Málaga

150.000€

Located in the heart of Torrox town, this very large townhouse was the local school for decades. Priced to sell quickly it needs renovating, in which case you can choose how many bedrooms, bathrooms, lounges you have, ending with the roof terrace with lovely mountain & country views. Currently we have counted 5 bedrooms & 4 lounges on the 3 different levels.

The front door takes us into a spacious hallway, to the right of which we find the first lounge with West facing windows and the separate kitchen, which overlooks the light well. The stairs are in the middle after the hallway and some 6 steps take us down to a lounge and 2 West facing bedrooms, plus an en-suite child's room or walk-in wardrobe. Back at the stairs, the first floor has a full bathroom, a large lounge & a bedroom facing West with balconies. Before the next level, above the stairs there is a curious store room.

The second floor level has another large lounge with a balcony facing West and another bedroom. On the end wall of the lounge, stairs lead up to the roof terrace, with a washing area at the top of the stairs, before going out onto the terrace. The terrace (approx. 25 sq m) has views to the East of the mountains and country, over the Torrox river.

You can walk from the main square, in the heart of Torrox, with no steps, to the house, in a few minutes and you can take the car to the front door to unload shopping, suitcases, passengers, building materials etc, before taking the car to park in the Plaza de la Concordia free car park.

This is a perfect blank canvas for a builder or DIY enthusiast to make a wonderful home. Book your viewing now!
