

Jord til salg i Torrox, Málaga

80.000€

This plot is located about 15 minutes drive from the village of Torrox. It has beautiful views of the surrounding countryside and mountains.

The total plot offered for sale comprises approximately 1500 m² and has approximately 60 avocado trees and a built water deposit of 100m² which stores approximately 100.000L of water. It has water from the community and the possibility to connect electricity if necessary.

It is the perfect opportunity for a farm enthusiast and someone who wants to make a good profit from the production of avocados. Access is via a dirt track in good condition. Do not hesitate to contact us for more information!
