

## 2 soveværelse Byhus til salg i Competa, Málaga

70.000€

This is one of our traditional town houses in C mpeta, located on a quiet street in the upper part of town, yet just steps away from all the amenities and facilities offered by this vibrant white village.

The property is spread over two floors. On the ground floor, we enter a cozy living room, with the kitchen to the right and a small bathroom to the left. A staircase leads us to the second floor, where we find both bedrooms.

Lastly, the property features a lovely terrace with views of the sea, the mountains, and the village, along with a storage room with a separate entrance beneath it.

This is a fantastic project to create your dream home at a very attractive price. Don't miss out on this opportunity!
