

## 3 soveværelse Villa til salg i Santiago de la Ribera, Murcia

355.000€

Stunning, newly constructed, detached villa with a solarium and pool in Santiago de la Ribera, Murcia. Located 850 meters from the sandy beaches and close to all the daily services.

The property consists of two levels with a private solarium. The villa has a ground floor distribution of one bedroom, a living-dining-kitchen with direct access to the terrace and a bathroom. The upper floor has a master bedroom with dressing room and en-suite bathroom and an extra bedroom with bathroom. Both bedrooms have access to a terrace through which we will access the rooftop solarium.

In addition, the villa has a barbecue in the garden and solarium, private swimming pool and parking within the plot.

This project is built in a perfect location, Santiago de la Ribera, a lovely town that sits on the shores of the Mar Menor.

It is the coastal area of the town of San Javier and started life as a simple fishing village. It has now grown into a popular holiday destination, attracting not only the Spanish but also tourists from all over Europe.

Santiago has a modern feel, although it still maintains its fishing village atmosphere. It has a very beautiful promenade, which is lined by majestic palm trees and 2 kilometres of wonderful sandy beaches. From here you can take a boat trip out across the calm waters of the Mar Menor, to the La Manga Strip on the opposite side. The main shopping area is really in the town of San Javier, but there are some shops in the narrow streets to browse, try visiting on a Wednesday morning when there is a large street market.

The houses are walking distance to shops, bars, restaurants, Dos Mares shopping centre and the fantastic beaches of the Mar Menor and 20 minutes to the popular Zenia Boulevard - everything is within easy reach!

Interested? Do not hesitate and contact us. We are happy to help you further.
