

5 soveværelse Byhus til salg i Iznajar, Córdoba

69.950€

Situated in the beautiful town of Iznajar, in the Cordoba province of Andalucia, Spain, famous for its wonderful inland lake. This spacious, 220m² build property is set out over 3 floors with the ground floor offering a front sitting room continuing to a reception room and large dining room and a kitchen with a separate pantry. The dining room opens on to a private walled courtyard with utility space, an outside toilet and a spacious storage room which could be a workshop or extra living space if required. On the first floor a central landing opens to a double bedroom to the front of the property with a Juliet balcony and a second double bedroom that opens on to a covered terrace with door to a large room. This space would make two more bedrooms if required with a full bathroom. On the second floor the original ceiling beams are revealed showing the full character of this property with three more rooms that then open to a large covered terrace taking in views over the rooftops of Iznajar and a metal stairwell leading down to the ground floor workshop and patio. Property is in need of updating but is full of character.
