

1 soveværelse Byhus til salg i Priego de Cordoba, Córdoba
27.990€

This 78m² build property is situated in the large historical town of Priego de Cordoba in Andalucia, Spain. On the market for 27,990 euros it needs renovating throughout, for non professional renovators or builders, this townhouse should be viewed with an architect or surveyor as many Town Halls put aside monies to help with such restorations within residential areas. Set back from the road you enter the property from a semi private drive up to the front door, so no problem with access for building materials. Inside you have 2 rooms on the ground floor and a hallway leading to a patio off which you could add a wash room and shower, or even enclose this whole space to create more living areas. Stairs from the hallway take you to the first floor double bedroom.
