250.000€

Located in the heart of the picturesque village of Maro, this charming townhouse offers comfortable single-level living with the added bonus of a spacious roof terrace. The property features two large bedrooms, a modern shower room, and a kitchen that opens up to a generous lounge and dining area. A highlight is the large, sunny patio that includes an additional room at the back, perfect for storage or conversion.

Access the roof terrace via stairs from the patio, providing a lovely space for relaxation or entertaining. While partially renovated, there is significant potential for expansion. The Town Hall is willing to grant permission to build an additional level and extend the room at the back of the patio.
