Presenting a charming detached villa with a refreshing swimming pool, constructed in 2014 and nestled in the picturesque area of Pinoso, close to the breathtaking mountains. Upon entering the property, you're greeted by an inviting entrance hall leading to a luminous lounge/dining room and a modern kitchen, complemented by a utility room. The ground floor also hosts a double bedroom and a bathroom, along with a covered porch offering a serene outdoor space. Ascending the stairs to the upper floor reveals three additional double bedrooms, each with its own bathroom, and two terraces boasting delightful views of the surroundings. Adjacent to the main house stands a separate building housing a barbecue area and two garages. The pool area, positioned in front of the house and barbecue, is enclosed by a brick wall and verdant vegetation, ensuring privacy and tranquility. The property boasts a meticulously maintained garden, complete with a greenhouse and a covered area suitable for two cars. Essential utilities include electricity, irrigation water, a 10,000-litre water deposit, and a septic tank. For added comfort, there are two wood-burning stoves and pre-installation for ducted air conditioning.
