

3 soveværelse Byhus til salg i Pinoso, Alicante

54.995€

The location of this town house is superb! It is in the centre of the prosperous town of Pinoso, within walking distance of all bars, restaurants, medical centres and supermarkets. Parking your car is not a problem in this road. The house has 1 bedroom downstairs and two upstairs. Included with this property, is a small patio and large barn. The house needs modernisation and will make a fine house for a small family or single person once reformed. The barn either needs to have the roof renovated or it could be removed, this way, you could create an amazing back yard which would have space for a pool. This property has great potential. It would be worth coming with a builder or architect to give you some ideas.
