

4 soveværelse Landsted til salg i Algarinejo, Granada

360.000€

This beautiful, detached 322m² build Cortijo property sits on a generous 1,200m² plot off a good track just 25 minutes drive from the very popular Iznajar Lakes with mains water, mains electric as well as solar panels. The property has electric gates opening in to a sweeping driveway to a private garage and a stunning private heated swimming pool. The gardens are established with gravel pathways that lead you to a lower garden with entertaining space including barbecue and bar area perfect for those summer months. Once inside the house has a large bright entrance hall with ground floor bedroom on the left and a spacious full bathroom on the right the hall continue to a stunning open plan kitchen, lounge, diner that opens to a separate utility room and out on to a covered terrace with glass curtains which make this beautiful area perfect in the summer or winter with outside kitchen and access to the pool area. on the first floor a central landing leads to a wonderful master bedroom that opens to a private terrace overlooking the countryside to the rear of the property a full family bathroom and a further two double bedrooms. The landing also opens to a second sun terrace looking out over the front of the property and all the surrounding grounds. This really is a spectacular property, situated close to Algarinejo in the Malaga province of Andalucia, Spain, with many extras including 11 solar panels which drastically reduces your electric bill, internet via antenna, heated swimming pool and option to negotiate furniture if required.
