210.000€

Stunning 300-square-meter Build with Expansive Outdoor Space

This exceptional property offers a generous 300-square-meter build, perfect for families and those seeking ample living space. This remarkable home features four spacious double bedrooms, each designed to provide comfort and tranquillity.

Interior Highlights:

Four Double Bedrooms: Each bedroom is generously sized, ensuring plenty of room for relaxation and personal space.
Separate Kitchen: A dedicated kitchen area provides ample space for cooking and meal preparation, leading into a dining room perfect for family meals and entertaining.
Versatile Ground Floor: The expansive ground floor is ideal for various purposes. Whether you envision it as a grand apartment or a thriving business space, the possibilities are endless.
Patio Area: Enjoy the outdoors from the comfort of your own patio, perfect for alfresco dining and leisurely afternoons.

Exterior Features:

Large Plot: The property is set on an impressive 1,000-square-meter plot, offering a blank canvas for landscaping.
Potential for a Pool: There is ample space to add a pool, creating your own private oasis for relaxation and recreation.

This property combines ample indoor living space with significant outdoor potential, making it a rare find. Whether you're looking for a family home, a business opportunity, or both, this versatile property is ready to meet your needs. Don't miss the chance to make it your own!
