

Landsted til salg i Denia, Alicante

585.000€

Fenced urban style plot for sale in Dénia. It has a surface of about 2000m², close to the sports centre of Dénia, surrounded by urbanisations and close to the beach. It has electricity and water. The land is flat, in it we will find a lot of fruit trees like apple trees, orange trees, pomegranate trees, mandarin trees and pear trees in good condition all of them. Also within the plot there are two working wells. A great opportunity to invest as it could possibly be converted into developable land.
