

6 soveværelse Landsted til salg i Villanueva de Algaidas, Málaga

150.000€

Situated in La Pirilla, close to Villanueva de Algaidas in the Malaga province of Andalucia, Spain. This 6 bedroom, 350m² build property is made up of two halves with a two storey property to the front and a single storey property with separate entrance adjoining to the rear, quite typical of this rural style home where families did not move far away. The property comes with around 2,000m² including a two storey garage / outbuilding to the front of the Cortijo and several established olive trees. The original property is full of character with a walled courtyard to the front, a lemon tree that leads in to a rustic country style kitchen and three downstairs rooms which could be used as bedrooms or living space. On the first floor the original stairwell opens to a large room with beamed ceilings and two further rooms all of which have some natural light and could be used as bedrooms or living spaces. This floor has a small doorway from one of the rooms that connects the two properties so if the new owner wanted to use it as one home there is already access. The single storey property has a small independent courtyard to the front that leads in to the spacious lounge diner and on to 3 double bedrooms, a full family bathroom and nice size eat in kitchen. This property is surrounded by spectacular views from every angle.
