485.000€

Venere Marbella, an exclusive residential complex made up in its first phase of 24 apartments and penthouses with 2 and 3 bedrooms that combine elegance, functionality and modern design with materials and qualities of the highest level. State-of-the-art homes are combined with state-of-the-art fixtures, thus giving an exceptionally luxurious and exclusive feel.

Each apartment enjoys spacious indoor and outdoor living areas.

Depending on their exact location within the development, the units have a luxurious private garden or a spectacular rooftop solarium, private or community pool, as well as a fully equipped kitchen with high-end appliances, two parking spaces and a storage room.

The boutique-style development has been designed by experts and each property, integrated into its natural landscape environment, offers south or southwest orientation, which together with its large terraces make it the perfect place to enjoy those long summer afternoons contemplating the sunsets of the Costa del Sol.

Venere Marbella enjoys an enviable location, nestled among the native Cabopino pines and offering spectacular views of the Mediterranean Sea over the surrounding pine forest. It is located a few minutes from the Cabopino marina and just 7 minutes from the center of Marbella and Puerto Banús.

In addition to its fantastic location, Venere Marbella has state-of-the-art facilities. If health and wellness is your thing, the gym and spa is where you will spend your leisure time. The environment of this promotion is unique and of extraordinary beauty, ideal as a main or holiday residence.
