This lovely bright and spacious property is situated on a popular urbanisation in the heart of Fuente de Piedra, in the province of Malaga, in Andalusia, Spain. The urbanisation gives access to enjoy the community swimming pool located close by and public gardens. To the front of the property there is a garage door that gives access to off road parking and a single gate for access into the front courtyard. The main entrance opens straight in to the large lounge diner with central open fireplace and air-conditioning. The ground floor also benefits from a powder room and a good size kitchen which has been fitted to a high standard with plenty of storage space. The kitchen opens out to a private rear courtyard with a storage / utility room. On the first floor a central hall leads to 3 bedrooms to the rear, one of which is currently used as a dressing room, a full family bathroom and a spacious double bedroom that looks out over the front patio. From the hall a spiral stairwell leads to a private roof terrace with a gazebo that opens and closes giving shade if required and stunning countryside views over the rooftops of Fuente de Piedra.
