

3 soveværelse Lejlighed til salg i Torrevieja, Alicante

295.000€

Spacious 1st floor apartment with fantastic sea and plaza views. Situated on the corner it has a super generous wrap around terrace. The apartment has an open plan living area and an independent kitchen - with utility room. There are 3 bedrooms and 2 bathrooms. From the living area and one of the bedrooms are french doors to the terrace. A better location you could not find - no car would be necessary as it has all amenities within a 100 metres and the port and sea just in front of the building.

The property has air conditioning and it sold unfurnished. It is habitable currently but would become an absolutely fantastic apartment with some reforms
