This charming finca is located on the outskirts of the beautiful village of Senija. It is a rustic stone building with great charm and elegance. Standing on a large plot of land, the property also has several outbuildings and a large well and a freestanding overground swimming pool. The property itself has a very large living/dining room with huge windows looking out to the countryside and allowing vast amounts of light to enter the space. There is a separate fully equipped kitchen and 2 very large double bedrooms and a bathroom. It must be seen to truly appreciate its charm.
