

3 soveværelse Villa til salg i Torrevieja, Alicante

365.000€

The independent house, located in Punta Prima, just 950 m from the sea. The renovated property offers three large bedrooms and two bathrooms, providing comfort and space for the whole family. Natural gas heating throughout the house, laundry room, storage rooms and alarm system. The south orientation guarantees excellent natural lighting throughout the day. In addition, it has a fully equipped kitchen and bright living-dining room. Its extras include central air conditioning, alarm system, private balcony and a double garage for your vehicles. Enjoy the beautiful garden and the refreshing community pool during warm summer days. This home also offers amenities such as a reinforced door, automatic irrigation system and storage room for additional storage. Located close to tree-lined areas, shopping centers, medical centers, schools and parks, this property is ideal for those looking for a comfortable and convenient lifestyle on the beautiful coast of Torrevieja. Don't miss the opportunity to live in this charming urbanization!
