

4 soveværelse Villa til salg i Ciudad Quesada, Alicante

349.000€

We are pleased to bring to the market this large villa with 3 bedrooms and 2 bathrooms with a dining area plus a separate large living room in the main house. The other bedroom and bathroom plus a lounge/kitchen area is located in a separate self contained underbuild apartment. The property boasts a large plot with a private pool with great views to the surrounding countryside. There are also several terraces available for that alfresco dining plus a garden area at the front of the house as well as a large area around the pool. There is also a large utility area for storage etc. The location of this property is excellent meaning you can walk to the golf course and all the shops, bars, restaurants, and a supermarket in one direction or the town of Rojales in the other direction. This property would make an excellent family home or a holiday get away.
