

Terrenos en venta en Pinoso, Alicante

80.000€

Discover this beautiful, unique building plot of 16,093m² with a beautiful view located on a mountain in Encebras. What makes this plot so special is that it can be built on, while at the back of the plot there is a green area where it cannot be built. So here you have your own piece of protected nature. There is also a cedula urbanistica for this land. For an additional fee, water and electricity can be installed.
