190.000€

Spectacular country house, a dream home ready to move into. In the main house there is a living room connected to the kitchen, which makes it very practical and very comfortable, while giving us a great feeling of spaciousness. It has 4 bedrooms, two of them in the main house, and the other two in the caravan-type annex along with one of the bathrooms. There is also a bathroom in the main house and another outside, there are 3 full bathrooms in total. Between the house and the caravan-type annex, we find a small construction of about 30 square meters that can be used as a multipurpose room, either as a bedroom or as a living room. Outside we have a wonderful esplanade to make meals and celebrate any type of party with great freedom, due to the space available. There is also a garage with capacity for two cars or storage. Enjoy all these amenities just 10 minutes walk from the town of Sax.
