1.730.000€

Wonderful ibicencan house in Sant Vicent (Sant Joan de Labritja). The house has a plot of land of 62.000 m² and is located in a paradisiacal environment at 2,5 Km from the quiet and beautiful Cala San Vicente. It is a traditional Ibicencan house, more than 150 years old, with four bedrooms and three bathrooms, a kitchen, a large living room with fireplace and a second room, which is currently used as a second kitchen. The beamed ceilings have been recently renovated, and from the covered porch and the terrace you can enjoy extraordinary views of the village and the mountains. The house has water from a borehole on the property, as well as electricity and telephone connections. This is a wonderful opportunity to acquire a property with a lot of land in a paradisiacal environment, where you can enjoy the tranquillity and nature. We have many more houses, flats, villas, fincas, commercial premises and land for rent and sale on the island. Thank you for considering us as your real estate agency in Ibiza.
