

4 soveværelse Duplex til salg i Fortuna, Murcia

65.995€

Located in the charming town of Fortuna, this semi-detached house offers a unique opportunity to create the home of your dreams. Spanning 260 square meters, this property features a spacious and versatile layout that lends itself to a wide range of remodeling and renovation possibilities. With four bedrooms and one bathroom, this home offers ample space to fit the needs of your family and lifestyle.

From its privileged location, this semi-detached house offers stunning views of the majestic mountains that surround the area, providing a naturally beautiful setting that can be enjoyed from various areas of the house. The presence of a cozy fireplace adds a touch of warmth and charm, creating a cozy and comfortable atmosphere in the cooler months of the year.

With electricity and water already installed, this property provides a solid foundation on which to begin your renovation project. Ideal for those who wish to leave their personal mark on their home, this semi-detached house is an exciting opportunity to create a space that reflects your individual tastes and preferences. With its unlimited potential and prime location, this semi-detached house in Fortuna offers an exciting prospect for those looking for a renovation project with stunning views and unparalleled natural surroundings.
