

4 soveværelse Landsted til salg i Yecla, Murcia

149.000€

This property has 26,789 m², with a large organic vineyard plantation with drip irrigation, in full production. About 1,000 m² of the plot is fenced, with 219 m² built, of which 179 m² is the house and 40 m² the garage (which could be turned into a guest house).

The house has four bedrooms, one living room with fireplace, kitchen with pantry, one bathroom inside and another outside.

40,000 litre fenced pool, with water purifier, toilet and changing room.

Covered barbecue with sink. Storage room.

Would be good for horses. Good views. Flat and well-connected plot.

Land of excellent quality, with profitable plantation.

It is connected to mains water and mains electric.
