

Landsted til salg i Javea, Alicante

250.000€

This large plot of 2200m² is located in the Montgo area of Javea and is completely flat, so perfect for building one's own dream home in Spain. Water and Electricity are close by and it is possible to construct a large villa of 440m² here. We at Harris Homes can assist with the Architectural design, planning permission, construction and all of the legal work that also needs to be completed.
