A VERY WELL LOCATED BUILDING PLOT IN A HIGHLY SOUGHT AFTER URBANIZATION, LOCATED BETWEEN THE HISTORIC WHITE WASHED VILLAGE OF MIJAS AND THE VIBRANT COASTAL RESORT OF FUENGIROLA

A desirable building plot with a south to south west orientation with partial sea views and easy access and a simple hook up of utilities.

Plot size 647m² to construct a villa of 168m².

It would be possible to construct a one, or two story villa of 168m² with an additional basement area and a garage of 50m²; subject to the granting of the building license.

The plot has a build coefficient of 0.26%.

The owner is also able to assist with the planning, design and construction of the villa.
