NEWLY BUILT APARTMENT COMPLEX IN LOS ALCAZARES

Apartment complex located in the idyllic surroundings in Los Alcázares on the beautiful Costa Cálida.

The newly built exclusive apartment complex consists of 30 elegant apartments and penthouse apartments with 2 and 3 bedrooms, which combines modern design with high quality and functionality. Beautiful penthouse apartments have a private solarium. The unmissable location offers a panoramic view of the golf course and Mar Menor and is an oasis of peace and refinement.

The development is located only 25 minutes from Murcia airport and 55 minutes from Alicante airport, with excellent motorway connections to Cartagena, Murcia, Alicante and the fantastic beaches on Costa Cálida and Costa Blanca.

Mar Menor is one of the great treasures on Costa Cálida and is the largest saltwater lagoon in Europe. Europe, which covers an area of 170 km² and covers five islands. The climatic conditions, the warm water and the absence of currents and large waves make Mar Menor a unique destination for swimming and all forms of water sports. The apartment complex is located in one of the most exclusive residential areas with a golf course by the sea. These surroundings combine perfectly peace and natural beauty and create an ideal place for a dream life under the sun.
