Smilo Properties is pleased to present this spacious 1 bedroom flat in Costa del Silencio.

It consists of 1 large bedroom, 1 bathroom with shower, spacious lounge-kitchen and balcony overlooking the pool. The complex has two swimming pools, 1 pool bar and a restaurant.

It is located 2 minutes walk from the Montaña Amarilla, a protected natural area, with crystal clear waters and where you can access the sea by stairs.

It has a large cliff characterised by its volcanic nature and crystalline waters, which give rise to a series of beautiful coves and enclaves suitable for bathing. It also has all the services you may need, from a chemist's to a petrol station, supermarkets and banks.

Along a path that runs along the cliffs, there are some areas equipped for bathing and small sunbathing areas and stairs leading down to the sea. As you would expect, as they are sheltered from the strong currents, the beaches and bathing areas are very peaceful, perfect for enjoying a relaxing day at the beach away from the hustle and bustle of the more touristy beaches.
