

## 2 soveværelse Landsted til salg i Castillo de Locubin, Jaén

**69.000€**

This 2 to 3 bedroom Cortijo with a 1,348m<sup>2</sup> plot is situated close to popular Castillo de Locubin in the south of Jaen province in Andalucia Spain. A quiet country road, with plenty of off road parking, leads to the rear of the property with large double gates giving vehicle access and secure parking at the side of the Cortijo and which takes you to a large tiled front patio that has mature vines for summer shade and offers far-reaching views over your land and the countryside. From the patio you enter the Cortijo into an open plan ' L ' shaped lounge diner with the fitted kitchen off to the right. On the left is a ground floor double bedroom and a fully tiled shower room, stairs take you to the uncovered open first floor which has twin beds at present but has room for 2 bedrooms and possibly another shower room. Either side of the property gives access to the extensive grounds which includes a number of olive trees with an irrigation system. Being sold part furnished this detached countryside property with land is ready to move into and finish updating.
